9. **Old Business**

9.01 Parking at Rutland Activity Centre: Nick A. provided the following information: If students are required to pay for parking at RSS then this is an issue between the parents and the school and *not an RRA issue*. However there are suggestions like allocated parking to users of Athens Pool, Seniors Activity Centre, etc, but it would have to be on an honour basis as tough to enforce. Nick will follow up as there is a real shortage of parking, especially when events are taking place and at the hockey arena.

10. **New Business**

10.01: New Director: Chris B. was voted in as a director by the board of directors.

10.02: Rutland Recreation Park Sports Field Strategy: Chris provided a comprehensive breakdown of what has changed from the originally planned upgrades to what the current (not final) design is. Please contact Chris directly for more information
