Safety meeting with Cpl Gauthier,

RRA Included in Walk Around Neighbourhood with MP Mazur organized by Roxanne C., I emphasized to MP Mazur that the Rutland Residents Assoc. Believe there is a need for more treatment and care facilities, but I also told him Rutland has done it's share with 6 low barrier housing facilities, plus the social service office up here. He thanked our association for speaking up Rutland. We feel an Okanagan Treatment Centre should be placed in another area of the Okanagan.

Kelowna Springs Golf Course: Discussion with Susan Ames who gave us the presentation. She felt buying only 9 holes in exchange for city property is not a good deal. There are 1290 acres of vacant industrial land in Kelowna. Making this land industrial will destroy the sensitive flood plane for that area.
